NC LIVE

Our hoopla collection is getting bigger!

Not familiar with hoopla yet?

hoopla lets you read eBooks and listen to audiobooks on all popular smart devices. Even better, your titles sync across the app on all your devices, so you're always ready to pick up where you left off.

Download hoopla from your favorite app store.

How to hoopla Flex

- You can borrow up to 10 of the latest "Available" titles at at time.
- Return one title and you can borrow a new title immediately.
- If a title is already checked out, you can place it on hold.
- Many titles can be downloaded to your device for offline
- enjoyment.
