# Make your own NC LIVE search box

- 1) Go to http://nclive.summon.serialssolutions.com/widgets
- 2) Work through the four steps listed on the top of the screen/in the side menu by clicking on each one in turn (see below for detailed instructions).

Back to     Back to	Search Select Widget type Customize the widget	Copy the code ×
Search	Search	Preview
Select Widget type	To begin, create a blank search, applying any facets or limiters you'd like to be default for your search widget.	To preview a widget you must select a widget type
Customize the widget	Co to Sourch	
Copy the code		

#### Step 1: Search

Click the "Go to Search" button. Select the facets on the left that you'd like your search box to apply. For a generic search box, select only "Full Text Online." If you're creating a specialized search box (for example, if you want a search box just for Business resources or eBooks), you can select more facets at this stage.

CONTENT TYPE Newspaper Article (506,759,172)	Preview -	

## Step 2: Select Widget type

Click "Select Widget type" at the top of the screen. Select the type of widget you would like to use, Box or Search. A preview of your widget will appear on the right side of the screen.

Search Select Widget type Customize the widget Copy the code	Select Widget type Box	Search	Preview Easily discover the world of library content Search More search options

#### Step 3: Customize the widget

Click "Customize the widget" at the top of the screen. Change the customization of your widget using the form. You can customize all the text that displays on the widget, or choose to show no text.<sup>\*</sup> As you edit the customization options, your Preview will update on the right side of the screen.

Copy the code	Preview
<script <="" td="" type="text/javascript"><td>Search NC LIVE Resources</td></tr><tr><td>src="//nclive.summon.serialssolutions.com/widgets/box.js"> </script> <script< td=""><td>More search options</td></script<>	More search options
type="text/javascript">summonWidget.box({"id":"s5c57d53e906f3 2e935c5217ca1179a2" "endpoint":"//nclive.summon.serialssolutio	
ns.com", "style":{"tagline":"#000","links":"#000"},"params":	
	Search Select Widget type Customize the widget Copy the code <pre> </pre>

You can then insert this code into any webpage.

To insert the code into a LibGuide, add a Media/Widget and paste the code into the Embed Code box.
