

Explora

Let your learning
take flight!

Did you know that your school library offers a fun, easy-to-use tool that can help you complete your research and classroom assignments? Using Explora, you will discover reliable information on thousands of topics covering a wide range of subjects including art and music, literature, language arts, geography, history, social studies, world cultures and languages, science, technology, engineering, mathematics, health and sports.

With Explora, you can...

Search for articles, e-books, news, videos and more using a single search box

Browse popular topics by category to get research ideas

Read Topic Overviews to gain the background information you need to start your research

Limit results to articles that match your reading level

Hear HTML and PDF articles read aloud with EBSCO's Text-to-Speech feature

Save articles to Google Drive, Microsoft OneDrive or password-protected personal folders right in Explora

Get research tips on identifying relevant sources, citing them properly and avoiding plagiarism

Use the citation tool to build your list of references/works cited

Need help getting started? Ask a librarian.
