

3 THINGS TO KNOW ABOUT FERGUSON'S CAREER GUIDANCE CENTER

1 Job & internship search in the platform

The job search is powered by Indeed and allows you to find jobs that fit your interests and skill set in your area. There is also an internship search available for college students.

2 Find the right fit with schools and scholarships

Search through profiles on thousands of undergraduate and graduate programs as well as public and private scholarship listings.

3 Sample resumes & cover letters

You can find downloadable resumes and cover letters that are tailored to your preferred industry and experience level.

Search Challenges

Beginner

Find the 30 question career assessment.

Intermediate

A patron is looking for help with writing a resume and cover letter for a nursing position. Can you locate materials on the platform to assist them?

Advanced

Find the contact information of a professional association for the engineering industry.
