

3 THINGS TO KNOW ABOUT SIRS DISCOVERER

1 Topics are organized by popular assignments

There are four types of topic pages that are based on popular assignments in elementary school classes: issues; animals; countries, states, and provinces; and famous people.

2 All content is age-appropriate

All the videos, articles, and images are vetted by a curatorial team. New content is also added on a weekly basis.

3 Audio & translation features are available

You can translate any article into over 10 different languages and listen to an audio version of it.

Search Challenges

Beginner

Pick a topic page for an animal and find one interesting fact.

Intermediate

A student is doing a biography project on Albert Einstein. How can they find information on him?

Advanced

Find an article from the last twelve months that discusses social media use.
