

GotResumeBuilder Flyer Instructions

[Access the template flyer link here](#)

Customize the flyer on the second page to direct patrons to your library's instance of GotResumeBuilder.com!

To get your library's custom URL (which collects usage data), you must have a dedicated partner account. You can request an account for your library with [this form](#). If you are unsure if your library already has an account, please contact help@nclive.org.

An example URL looks like:

<https://www.gotresumebuilder.com/?partner=neuselibrary>

You can also use the generic NC LIVE link, but it will not collect usage data specific to your library: [gotresumebuilder.com/?partner=nclive](https://www.gotresumebuilder.com/?partner=nclive)

FLYER CUSTOMIZATIONS

1. Replace the [LIBRARY NAME] URL with your library's custom URL
2. Add your library's logo to the bottom left corner
3. Print and share!

If you have any questions, please contact help@nclive.org.
